Q2 Currently Curl Sudbury Open League utilizes a scramble league to accommodate players who do not have a team of their own but wish to curl. There were 21 players in the 2018/19 seasons scramble league. The league ran a separate club championship for the scramble teams.

There was also a set of jackets purchased Do you believe that the scramble league warrants their own separate club championship and jacket?

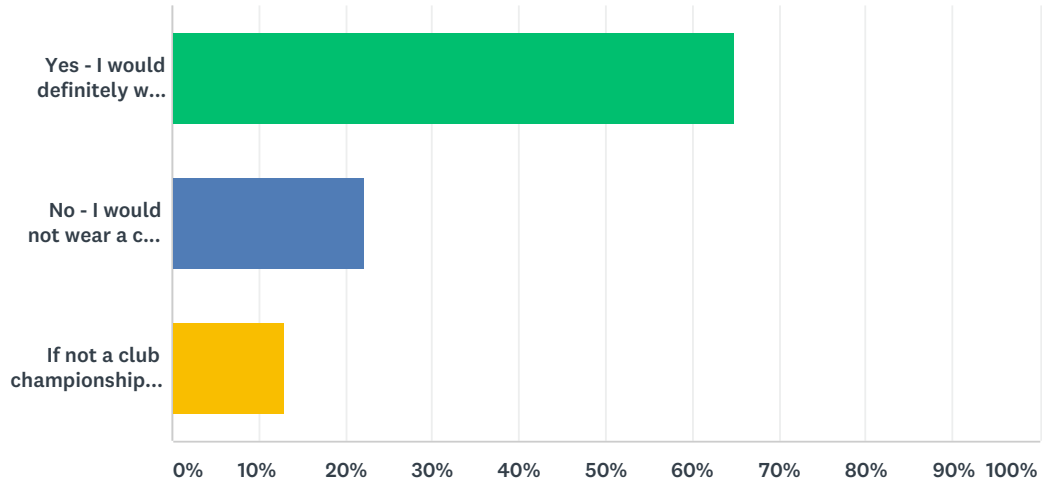

Answered: 52 Skipped: 30

ANSWER CHOICES	RESPONSES	
Yes - I agree the scramble should have their own club championship and jackets	44.23%	23
No - I believe there should be only one club championship and one set of jackets	55.77%	29

#	I HAVE ANOTHER IDEA	DATE
1	Club championship for Monday and Thursday	5/19/2019 5:00 PM
2	All teams be they scramble or squad play for one club champion	5/15/2019 4:50 PM
3	Everyone in scramble should be playing for the club championship. A round robin draw would allow for that.	5/13/2019 9:20 PM
4	A complete scramble round rather than eliminate players based on "points" which do not reflect their curling abilities due to being with a strong team/skip.	5/13/2019 11:53 AM
5	I think we should play the level we chose. go in A division if you want to win it all. If you're a B team or a C team you can chose to play at that level.	5/13/2019 7:49 AM
6	Top six qualify with a bye for 1 and 2.	5/12/2019 6:50 PM
7	Have a monday night winner and a separate thursday winner then they play for a final. I cannot play on nights outside of my regular league night r/t work comittments	5/12/2019 1:26 PM
8	Club Champion is an A level. Each team should sign up for the level they wish to compete in. Only those who sign up for A can win their way through to be champion.	5/12/2019 1:07 PM
9	Play down on your night - people play on a night for reason.	5/11/2019 9:19 AM
10	Club championship but the teams who do not qualify still curl to the end of the season in their own mini draw	5/10/2019 2:06 PM
11	See email previously sent	5/9/2019 3:50 PM
12	Go back to everyone qualifying for the club championship A, B and C. Winner of B, C game plays A in final. That way the club remains full and active for most of the playoffs.	5/6/2019 4:06 PM

13	Should have an A and B club championship. Keep more teams with something to play for also get more people out to the club. That should equal more bar sales. Also, it doesn't seem right how spares are done; players from Monday and Thursday just spared for each other. I don't have a solution, but it took the 'fun' out of it seeing this. I don't have a solution, though just an observation.	5/6/2019 9:24 AM
14	I like the idea of a championship, but I don't like that the Thursday and Monday night championships were combined. They are two separate registration fees so in my mind they are two separate leagues. Each league should have their own championship bracket with all teams in each league qualifying. People should not have to choose to play with a team from one night over the other because not all of us play both nights.	5/6/2019 7:21 AM
15	Play down on your night, Monday winner plays Thursday winner for Club championship	5/5/2019 10:03 PM
16	I like club championship-change? Not sure	5/5/2019 8:59 PM
17	Monday and Thursday should be separate leagues with separate championships. No more scramble on Thursday, or just scramble.	5/5/2019 7:52 PM
18	too many teams 16 squad teams resulted in a few defaults, and many many spares I suggest the same method be used for the scramble championship as it was this past season, but cut down the number of squad teams that qualify perhaps 6 from Monday and 6 from Thursday, with the top 2 teams from each night getting a bye in the first round I also did not like having to declare with a month left in the season as to which night I was going to represent I was told this was done so that teams would have advance notice if they needed to find a spare, yet after the last night of regular curling (even with declaring early) many many teams were scrambling for spares at the last minute. Let the people who curl two nights a week decide which night to represent after the last game of the regular season.	5/5/2019 7:50 PM
19	Make rounds a bit shorter, and have a fourth round of club championship pool, with the winner of the pool playing the winner of the championship pool from the other night.	5/5/2019 7:36 PM
20	Should be a Monday night playoff and a Thursday night playoff, then the winners goes for club championship	5/5/2019 5:47 PM
21	I prefer to go back to the old format everyone qualifies for club championship and a draw is made by position to form teams The way a certain team split their team in 2 and used 2 spares through out the whole championship was very shady	5/5/2019 4:12 PM

1	No prizes	5/18/2019 7:15 PM
2	random draws for prizes	5/18/2019 12:20 PM
3	with only 21 scramble curlers, these teams should be incorporated with squad teams with only one set of prizes per draw. In other words not prizes for squad teams and scramble teams.	5/15/2019 4:50 PM
4	It seemingly goes to the same group of people yearly, therefore, yes perhaps it should be divided into other prize distributions. For example: They can perhaps, qualify for 1 prize at the banquet and if qualified for another, that is when it should be divided out to most improved team or something along those lines.	5/13/2019 1:46 PM
5	I would like to see random draws to keep things fair. I also don't mind the idea of "most improved", etc however I could see how some would complain that these decisions are arbitrary.	5/13/2019 12:46 PM
6	Prizes not necessary other than jackets, perhaps a gift card at the bar at most.	5/13/2019 11:54 AM
7	Anything you determine to be reasonable I support.	5/13/2019 7:59 AM
8	I like a prize for winning a draw, but would prefer club gift cards. A most improved or sportsmanlike is also a good idea as a way to keep new curlers/teams involved.	5/13/2019 7:49 AM

12	Club champions jacket and only top team in each division at the end of the draw gets a prize I would also suggest that these prize be club gift card as everyone could use them compare to some of the prizes now	5/12/2019 5:55 PM

13	Less or no prizes	5/12/2019 1:26 PM
14	Stop buying prizes that a lot of people don't want. Give Curl Sudbury gift cards to the overall winners for Mon. night, Thurs. night & Scramble teams. Also perhaps their names on a plaque or trophy if there is one designated.	5/6/2019 3:06 PM
15	Give out prizes throughout the year for different fun things. Turkeys at Christmas, gift cards throughout the year.	5/6/2019 7:53 AM
16	I would prefer cash prizes only, or gift cards from certain stores. I think there should also be individual prizes for things such as "most improved" or "sportsmanlike"	5/5/2019 7:52 PM
17	Prizes for longest winning streak, biggest comeback of the he year, maybe longest losing streak, funnest team to play, and of course top teams of the draws	5/5/2019 4:04 PM

7	It would be really nice to have clarification on how the Monday open and Thursday League works. I wasn't aware that i'd have to choose between the 2 nights for playoffs and feel that i wasn't properly informed on exactly how that worked. I feel that if i paid for 2 separate nights that i should have had the opportunity to play with my 2 separate teams at different times. I felt torn with choosing. Also, would have liked to taking part in more bonspeils here in Sudbury but didn't really have any clear postings of the various ones being offered. Perhaps if there was 1 designated board for that.	5/13/2019 2:01 PM
8	Create a better atmosphere. Most who come out, come for fun. Perhaps 6 end games a couple times a year with a social event after (beer and wings, beer tasting nights, scotch or wine tastings). Look at a few nights of skins curling. No need for year end prizes... distribute that money throughout the year.	5/13/2019 12:53 PM
9	Less focus on the squad teams. Scramble league is where new curlers and graduates from rookie league/learner night can go to. Scramble teams should NEVER be playing squad teams due to the inbalance of talent with the stronger squads and the fact that some scramble people are still new to the game or are "fun" curlers.	5/13/2019 11:58 AM
10	Nothing.	5/13/2019 8:02 AM
11	Once the floor is completed, I would like it if the club in general and in particular the rink we're kept cleaner.	5/13/2019 7:53 AM

14	I REALLY wish the rink area was cleaner. The ice at the back boards is always so dirty.	5/12/2019 1:11 PM
15	The league needs to enforce the rule a bit more. le spares skipping the game and slow play. It shouldn't be up to the opposition to say something.	5/11/2019 9:22 AM
16	Open league playoff format. I think we want the club to be full at the end of the season rather than having 8 teams qualifying.	5/7/2019 8:43 AM
17	The learn to curl program should be extended to a second season of advance learn to curl.	5/7/2019 8:22 AM
18	Better communication. Posting info on the boards at the club works better than the website. Contact info for all the teams would be helpful for game cancellations etc. rather than phoning the club & getting someone else to do it for you. The Pensions League has a good system you could check out.	5/6/2019 3:45 PM
19	Encourage curlers to be on time for games. Have a bell or another sound play 10 minutes before draw time (6:50pm) to start getting curlers down to ice level. Put up signage for tips to reduce slow play. Give each skip an memo before the start of the season to pass down to their team that has the rules, tips to reduce slow play, be on time and upcoming events throughout the year.	5/6/2019 9:33 AM

20	Communication between committee and members of the Open League.	5/6/2019 7:56 AM
21	There needs to be more communication between the league organizers and members throughout the year. No one took time to explain the championship format before our draws later in the season we didn't understand how it worked.	5/6/2019 7:31 AM

4	Keep up the good work.	5/14/2019 2:36 PM
5	Leave the scramble league alone. Thursday night used to be just scramble which is the main reason why I signed up. Now, squads are dominating and it is not fun.	5/13/2019 9:24 PM
6	If you remove the scramble league on Thursday night . Then you will lose the scramble players . I for one	5/13/2019 4:27 PM
7	Make Monday night more for the squad teams and Thursday more of a scramble night. That was the way it was several years ago and everyone was happy. The migration of squad teams over to Thursday has impacted the scramble league.	5/13/2019 11:58 AM

12	Although it is considered one league, Mon. & Thurs night curlers should be considered 2 leagues. The Club Championship doesn't work in the present format because a Mon. curler signs up for Mon. because they can't curl Thurs. & vice versa. So to ask them to play a championship game on a night that they have something else in their life scheduled won't work. Same idea if Mon. league has only 1 full draw but Thurs. has 2 full draws, why do you have to ring the bell on Mon. night when there is nothing happening at 9 PM. there are different considerations for each night.	5/6/2019 3:45 PM
13	During the open league banquet's dinner, I don't think it's right to say grace.	5/6/2019 9:33 AM
14	Keep up the great work!	5/6/2019 7:56 AM
15	I wouldn't change things drastically all at once, you risk losing all the "old school people" who will refuse to give the changes a chance. A little at a time!	5/6/2019 6:29 AM
16	I support giving some \$\$ to the club but still think there should be some prizes to draw winners.small recognition	5/5/2019 9:02 PM
17	no need to discriminate let the scramble curlers have their own playoffs, and let the squad teams have their own playoffs it's not like it costs a lot of money extra to get a few more jackets and I don't like the idea of Curl Sudbury being allowed to repurpose prize/banquet money and just add it as a donation to projects that becomes a forced donation we already have a capital improvement fund we have a generous bunch of people (with both money and volunteer time) I am afraid if money was repurposed it would alienate people	5/5/2019 8:05 PM
18	Please keep the rates down. It is getting too expensive to curl, and I may have to stop if it gets much worse.	5/5/2019 7:58 PM
